# Welcome to Sun Island Tours

Dear Traveller,

Sun Island Tours is proud to present our 2013 brochure featuring the best of Egypt and the Middle East.

We invite you to travel through the land of the pharaohs in Egypt and the biblical settings of Israel. See the rose city of Petra in Jordan and float in the waters of the Dead Sea. Explore Oman's ethereal landscapes and beautifully preserved forts. Visit Lebanon and experience the fun of Beirut – a city that truly never sleeps.

We have increased our Dubai section to include more hotels and packages for you. Our 24 hour check-in hotels are a wonderful addition – as they allow for unprecedented flexibility for those who arrive into Dubai at odd hours of the day. Abu Dhabi has retained a strong Arabic influence and offers an interesting contrast to Dubai.

Our organised group departures have been very popular this year. Although we predominantly cater to individual travelling parties, we can also assist with our specialist knowledge in organising any tailor-made groups.

For further information please contact your travel agent or visit our website at **[www.sunislandtours.com.au](http://www.sunislandtours.com.au)**.

Our website has been enhanced to include a large amount of information about our destinations. Some of these enhancements include online brochures, videos on destinations, detailed descriptions, as well as subscriptions to our specials via social media.

Thank you to our many repeat customers and a warm welcome to our new ones.

A visit to Egypt is not complete without a cruise through its ancient secrets. Experience and explore the enchanting lands through the calm and majestic waters of the River Nile. Travel from Aswan to Luxor or vice versa and visit some of the most important and colossal monuments in Egypt. See the Philae Temple in Aswan along with the High Dam and the Unfinished Obelisk. Visit the Temple of Horus in Edfu as well as the temple shared by the two gods, Sobek and Haroeris in Kom Ombo. The awe inspiring Temples of Karnak and Luxor are a must as well as the Temple of Queen Hatshepsut, Valley of the Queens and of course, Valley of the Kings with the tomb of Tutankhamun.

There are hundreds of different cruise lines and cruise vessels on the Nile. As we do not operate with all cruise lines, we have specially hand-picked the best possible cruise vessels in their category. This is based on quality, service and price, ensuring that you receive the best value for the standard you have chosen. The itineraries however do not change between cruise lines. The itineraries we depict are 3 and 4 night itineraries from Luxor to Aswan or Aswan to Luxor; with all cruise lines operating the same ports and similar, if not the same itineraries.

Whether on a private tour or a coach tour, the guides on the cruise vessel will escort groups for sightseeing. All guides are English speaking, but more than one language may be spoken by the guide.

Below is a list of Nile River Cruises that Sun Island Tours operate. However, in order to view which Nile Cruise pertains to which package, please view the rates associated to each package. Supplements may apply if other lines or vessels are chosen. Other cruise lines may be used as a similar alternative if a specific vessel or line is not available.
