Welcome to Sun Island Tours

Dear Traveller,

Sun Island Tours is proud to present our 2013 brochure featuring the best of Greece, Turkey, Cyprus and Mediterranean Cruising.

We have promoted these destinations for over 20 years. As such, we understand your passion and would love to help you realise it.

Greece is enchanting. There is nothing in this world that compares to standing atop the cliffs of Santorini's caldera. No beaches are as pristine and cosmopolitan as those of Mykonos, and no capital offers so much cultural history as does Athens. Explore the mainland on our wonderful tours, or let us customise an island hopping package to meet your requirements. Whatever you choose, rest assured that we have the most extensive array of hotels, tours, and packages on offer.

In Turkey, our escorted coach tours are incredibly popular, and offer many different itineraries and price points for you to choose from. We offer you the ability to combine them with traditional gulette cruises, or extend to the Greek Islands for some sun and relaxation. Alternatively, visit Cyprus – a melting pot of Mediterranean culture that is as beautiful as it is diverse.

Our Groups Department is the most knowledgeable and specialised for the region, and we can organise tailor-made itineraries for groups of any size.

For further information please contact our office or view our website at **www.sunislandtours.com.au**.

Thank you to our many repeat customers and a warm welcome to our new ones.

WHY? The historical sites around the mainland in Athens, Delphi, Meteora and Olympia as well as on the islands. Beaches and nightlife. Picturesque white-washed buildings of the Cycladic Islands with the blue dome churches. Laid back, cosmopolitan lifestyle of the Dodecanese Islands. The green and fertile Ionian Islands and their beautiful cove beaches. The not so touristy islands of the Sporades. The picturesque harbours of the Saronic Islands. The historical culture of the Northern Aegean Islands. The Gyros and Ouzo.

HOW? Emirates and Etihad fly into Athens. Ferry services also operate from Turkey to Greece.

CLIMATE: Generally a sunny country. April to October the days are mild to warm although June to August can be rather hot. November to March is mild and is an ideal time to visit Athens and the mainland.

CURRENCY: Euro (EUR).

ELECTRICITY: European two round hole plug.

VISA: Current Australian passport holders do not require a visa for stays of 90 days or less.

DON'T MISS ... Visiting the amazing monasteries in Meteora perched at the top of the cliffs and the Oracle at the sanctuary of Delphi.

GREEK ISLAND HOPPING

Ferries/hydrofoils are subject to schedule changes due to weather conditions and unforeseen circumstances.

Ferry/Hydrofoil Reservations

At the time of booking only the date of the ferry/hydrofoil tickets can be confirmed, not the departure time, as schedules are subject to change. Ferries in Greece are known to cancel at any time so please be aware that even though Sun Island Tours have confirmed your ferry, it is beyond our control when the ferry does not go ahead due to strikes, low passengers numbers, low season or for any other reason. Ferry costs are also subject to change at any time. Our local agent will provide you with your tickets and the time of the departure whilst you are in Greece.

Tickets are usually delivered to your hotel at the point of origin and in some cases to be collected from our agent. Should a ferry/hydrofoil be re-scheduled or cancelled whilst you are in Greece, our local agent will assist with alternative arrangements. If, as a result additional payment is required, then you will be required to pay our agent direct. No refund will be due from Sun Island Tours, however, you can speak to your travel insurance upon return to Australia.

Ferries or hydrofoils must be booked in conjunction with accommodation at each point of origin.

International Ferry Tickets

Sun Island Tours can book your international ferries. Below is a list of ferry routings from Italy or Turkey to Greece and Italy to Croatia or vice versa. Contact our office for updated schedules. Passport details required at time of booking. Port taxes paid locally.

Travelling on ferries

Many people have the misconception that travelling on a ferry between islands is like a cruise. It is important to know that most ferries are basic and they do not have a pool or deck games, only a coffee shop. Some of the ferries are large and you need to climb a narrow staircase (with your luggage) to get to the decks. Most Athens hotels provide short term luggage storage for their clients, so we suggest you leave unnecessary belongings in Athens to make your trip more pleasant and stress free. Please note there is no baggage assistance on the ferries or hydrofoils and it is not a recommended form of travel for the elderly traveller.

Ferry Itinerary/Routing

When putting an island hopping itinerary together it's best to combine the same group of islands. Most ferry companies only operate to one group of islands, two at the most, and the ferry schedules are more frequent. The map on page 20 shows each group colour coded for your convenience.

Ferry Class and Cabin Types

There are many ferry companies and boats that operate between the greek islands. They all vary in layout, design and facilities offered. There's usually one class of travel, however in some cases you can upgrade to a business class seat or a cabin, for an additional cost.

Ferry Ticketing

Ferry schedules are highly subject to change and for this reason we choose to issue tickets overseas a few days prior to the ferry travel date. This allows us to provide you with the correct tickets for travel. Our staff can provide you with proposed schedules and timings to be used as a guide only.

DESIGN YOUR OWN GREEK ISLAND HOPPING ITINERARY

Island Hopping inspires images of adventure. Each group of islands have their own distinctive characteristics, as well as their own unique customs and traditions. If one of our Island Hopping Packages (pages 21-29) does not appeal to you then you can design your own itinerary. Use the map on the previous page to select your choice of islands.

THREE EASY STEPS:

1. Choose the Islands

Select the islands of your choice. We recommend a minimum stay of two nights on each island.

2. Select your hotels

Choose a hotel from our wide selection to suit your budget.

3. Sun Island Tours will book it

Our experienced staff will put your itinerary together and provide you with the most suitable routing for the islands of your choice.

SANTORINI

WHY? You can't go past the picturesque views of the caldera. When you see a picture of the Greek Islands, you can be sure it will be Santorini.

WHAT? The blue domed churches. For the history buffs, Ancient Thira and Akrotiri. For beach goers, the fine black volcanic sand beaches of Perissa and Kamari or the red sand beach of Red Beach. The sunset in Oia. A donkey ride down the winding stairs to the old port. Consider a day trip to the volcanic hot springs.

WHERE? Fira is the main town where all the action is. Shops, bars, restaurants and clubs fill the area. Firostefani is a short walk away but still offers amazing views as does Imerovigli. Oia is popular for honeymooners. If you want to be near the beaches then Kamari or Perissa are the places to be.

See map on page 19 for location. Reference
